- **Midweek:** Recommences week beginning Sunday 8th January 2012 this will be a prayer focus week (8th – 14th). The following four Tuesday's and Wednesday's will both have 7.30pm meetings at Cardale Street with a revival theme, both groups will follow similar topics. Tuesday night will be led by Chris Siviter and Wednesday night by Dave Willetts.
- We are hoping to produce another pantomime next Christmas. If you would like to be in it please see Brian or Judi before January 15th. We particularly need people for the chorus. People who have already spoken to Brian and Judi about this are already on the list and need not see them again.

This Week's Prayer Focus:

Vulnerable People: 1 Peter 4: 6-11

Pray for elderly and infirm people who live alone and have little contact with family members and neighbours. Ask God to put it on the hearts of Christians in local churches to seek out and befriend these senior citizens who can feel isolated.
